

Gemsbok

Established 1929

Distribution day - Wednesday-Weekly

Gemsbok - has been providing a comprehensive service since 1929, in relation to the marketing of the products and services of our loyal customers and offers a printed, an online and a social media service. Gemsbok's printed version reaches the offices and homes of countless readers stretching from Kuruman in the East to Port Nolloth in the West and from Nakop in the North to Kenhardt in the South. We are the community newspaper with the largest distribution area of all sold newspapers in South Africa

Online - www.gemsbok.co.za

Although many of our readers still prefer printed media, our readers can also reach us online and on social media. Gemsbok as a communication media is an indispensable service to our readers and advertisers in the largest areas of the Northern Cape and now all of cyberspace.
