Paasfees word tussen 22 Maart en 25 April gevier na die eerste volmaan aan die begin van herfs in die suidelike halfrond. Dit is dié belangrikste viering van die Christelike Kerk. Volgens die Bybel gee God Christene hoop op die opstanding en op 'n nuwe lewenswyse, uitgebeeld in die wederkoms van Christus. Met Paasfees begin 'n tydperk bekend as Paastyd, wat vyftig dae duur en wat op Pinkster-Sondag eindig. Lees meer op p2.

# Kankertee pak twee sale vol

**NOORDWESTER – LICHTENBURG –** Tydens die afgelope Saterdag se Kankertees was die oggend- en aandfunksie gesêen met vol sale.

Lichtenburgers maak steeds harte en hande oop vir ons Kankerkliek waar soveel liefdeswerk gedoen word. Juan Boucher (gaskunstenaar), Carli Bester (modeperade-organiseerder), die mannekyne en gasvrouens het hulself oortref.

Thea van Rooyen het die verrigtinge treffend geopen met die tema 'God maak ons lewe nuut' en sy het die lyn deurgetrek na die daaglikse lewe deur die gaste te vergelyk met flaminke.

Aan die spits van die dag se puik organisering was Hannelie Nel en Alicia van Graan. Dankie aan elke helper en gas wat die dag besondere kleur gegee het. Mag die Kankerkliek steeds van krag tot krag gaan.

# Die Kruis, 'n simbool van oorwinning

**Goeie Vrydag (18 April) se boodskap is geskryf deur dr Anton Kleingeld van die Evangelies-Gereformeerde Kerk**

Paasfees is ingestel as herdenking van die verlossing wat Israel gehad het toe die Here die tiende plaag oor Egipte gebring het. Die lam wat hulle geslag het se bloed wat aan die deurposte was, het vir hulle verlossing gegee van die dood van die eersgeborene.

Jesus Christus sterf op Golgota as die volmaakte Lam van God en begeer dat Sy verlossingsbloed aan die deur van mense se harte gesmeer word.

Ons vier die kruis as 'n simbool dat Jesus Christus vir elke mens se sondes gesterf het deur die dood te oorwin. Vandag vier ons die feit dat die LAM van God vir ons geslag is.

Vandag sien ons 'n kruis en ons word herinner aan dié EEN wat aan die kruis vir ons sterf. Het u geweet dat in die eerste 300 jaar na Jesus se kruisiging, die kruis as simbool nie was soos wat ons dit vandag ken nie?

Die Aartsvaders het 'n wet ingebring wat verbied het dat enige Christen homself verbind met die kruis as simbool. Hulle mag dit nie geteken of in enige kunsvorm aangebring het nie. Die rede hiervoor was dat die eerste Christene daagliks gesien het hoe 'n kruis gebruik word.

Dit was een van die ergste vorme van teregstelling gewees. Die kruise van die mense was op al die hoofweë geplaas. Daar was letterlik derduisende mense gekruisig oor hierdie tydperk. Op een slag was daar bykans 6 000 mense gekruisig buite die strate van Jerusalem.

Maar ons gedenk nie die kruis as 'n simbool om daardie mense te eer nie, die kruis herinner ons aan Jesus Christus wat vir ons die lewe gegee het. Het jy al daardie lewe? Sal jy Hom op hierdie dag opnuut ontmoet? Ek bid jou 'n geseënde Paasfees toe.

### Hoe reageer jy as jou wêreld geskud word?

Ons leef elke dag met baie uitdagings. En soms is dit net die klein jakkalsies wat 'n mens se dag so kan omkrap. Mense maak jou vies omdat hulle net hulle eie koppe volg en jou in die proses benadeel. Wanneer jy haastig is en in 'n ry by die bank staan sal hulle nou juis 'n teebreek neem net wanneer jy voor in die ry kom. 'n Vriend van my met wie dit gebeur het, het bloot net gesê, ag ek wag maar geduldig my beurt af, ek het nog so baie om voor dankbaar te wees!

As jy 'n beker koffie vashou en iemand stamp aan jou, spat die koffie die hele wêreld vol. Hoekom het jy koffie gemors? Meeste van ons sal sê: Iemand het teen my vasgeloop. Jou antwoord is verkeerd. Jy het koffie gemors, want daar was koffie in jou beker. As daar tee in jou beker was, sou daar tee gemors het. Wat ookal in jou beker is, sal uitspat as iemand teen jou stamp. As die uitdagings van die lewe, wat maar onafwendbaar is, teen jou stamp, sal wat ookal binne jou is, uitspat. Ek moet myself dus afvra: Wat is in my beker? Wat kom uit my beker as ek gestamp word? Kom daar dankbaarheid, vrede, vreugde en vergifnis uit my beker, of reageer ek met bitterheid, ontevredenheid en woede?

Hoe hou ek dan my beker vol van al die positiewe dinge? Kies elke dag om te leef met vreugde en dankbaarheid. Dan sal jy ook 'n fontein van lewende water vir ander word, ook wanneer die lewe jou stamp. Anthony D'Angelo het gesê: Bring altyd jou eie sonskyn, dit maak nie saak waarheen jy gaan of hoe die weer lyk nie.

## Bloemhof - a town in crisis

**NOORDWESTER – BLOEMHOF -** There is a difference between oversight and insight – Bloemhof Dam. During a recent oversight visit to the flood-affected Bloemhof area, the Minister of Water and Sanitation, Hon Penny Majodina, accompanied by the Mayor of Lekwa-Teemane Local Municipality, made remarks that were not only frustrating but also hurtful and, frankly, embarrassing.

It is regrettable that an Honourable Minister places such reliance on information from officials who have repeatedly demonstrated an inability to effectively manage water-related issues in the province, and who have clearly failed to learn from previous devastating floods.

It is equally disheartening to witness senior officials arriving at a flood-stricken site without the necessary knowledge or experience to grasp the evident realities on the ground. Even more concerning is the Minister's cold and largely factually incorrect assessment, delivered without empathy, understanding, or foresight.

Yes, it is true that some structures lie below the hundred-year flood line. Yes,

there are norms and standards. However, these very standards have repeatedly failed to prevent significant losses due to flooding from a dam originally constructed for flood management.

The damage to nearly 18 500 hectares is undeniable. Another critical fact is that vast areas currently underwater were flooded due to the Department's decision to increase the outflow from Bloemhof Dam by 50% over just 48 hours - raising the release to 3 000 m<sup>3</sup> per second on 9 April, while the Vaal Dam was releasing only 807 m<sup>3</sup> per second.

It is also a fact that the Department delayed action until Bloemhof Dam exceeded 112% capacity before releasing

such high volumes, despite the Vaal Dam already sitting at 114% capacity. All this occurred while clear forecasts predicted above-average rainfall.

We had urged the Department to lower the Bloemhof Dam level to accommodate incoming water and reduce the risk of further structural damage to an already compromised dam wall. Any honest and objective observer would agree: this situation was once again poorly managed.

Misleading reports and arrogant, self-serving officials will not avert future disasters-potentially even more catastrophic ones. It will take real leadership, the kind that seeks insight through oversight, to bring change. It will take collaboration with skilled, experienced, and genuinely committed experts.

We express our heartfelt sympathy to everyone affected by the recent floods and heavy rainfall across many regions. We

remain committed to pursuing meaningful engagement with officials who are capable of approaching dam management with the critical, forward-thinking mindset that this situation demands.

In an earlier statement, Department spokesperson Ms Mavasa claimed that the dam remains "stable enough to meet minimum required factors of dam safety" and that "maintenance work" is currently underway. To date, we are unaware of any maintenance activities on the dam wall, either ongoing or completed within the past year. We therefore urge the Department of Water and Sanitation to release the most recent dam wall safety report, the full scope of maintenance activities planned or undertaken at Bloemhof Dam, and the name of the contractor responsible for this work.
